CPT Sub-COMMITTEE #3 (Heritage Monument) – Public Land Assets / Land Use-August 15, 2020
@ Heritage Park @ 3pm

Meeting called to order: 3:10pm

Attendees: Leslie Holland, Heloise Dixon-Warren, Claudia Vogt, Ken Falloon, Susan MacNeill

1. Discussion about the Homestead Site that this monument sits on. It is very valuable information and we feel that a walking interpretive sign trail would be beneficial to the site. We are continuing to discuss how many signs and what they will say.
2. Discussion around format of the Plaque Placements was lively and we hope to have this solidified very soon; as we are requesting another quote. The current quote is high.
 - 5 x 7" \$240
 - 8 x 12" \$333
 - 12 X 12" \$516

This pricing was based on a bevelled edge with 3 line of script, up to a maximum of 25 characters/line. Susan will check on other pricing. The idea of putting together a “package for purchase” for residents will make this objective clearer.
3. Ken Falloon will get a list together of “100” year old families that would be current up to the next 5 years and future long term residents that may wish to purchase plaques.
4. Discussion about a Celebration and Ribbon Cutting Ceremony for end of October; with food, entertainment and media. All in favour of this event.
5. Susan to reach out to Stephanie Hames for invite to next meeting.
6. Next meeting has not been set. Once pricing is in and Claudia has everyone’s approval for the final design, we will meet again.

Adjournment: 350pm
