To the Friends of Bouchie – Milburn Society,

Re: Letter of Support for the Bouchie Lake Century Family Recognition Project

I write to you to express my support for the Bouchie Lake Century Family Recognition Project through the Friends of Bouchie – Milburn Society. This important project seeks to build awareness of the rich history of the Bouchie Lake and Milburn Lake areas providing recognition to the families that settled and contributed to the community over the years. I am encouraged by the outreach this project aims to achieve with both the Lhtako Dene Nation as well as the Nazko First Nation to connect local communities.

From the establishment of a cenotaph, to plaque(s) acknowledging the “Century Families” as well as proposed promotional videos and a car rally fundraiser, the Bouchie Lake Century Family Recognition Project is hard at work to create an identity for the community that supports pride, empowerment and engagement.

I congratulate the Friends of Bouchie – Milburn Society on what they have achieved, and I look forward to this project moving forward.

Sincerely,

Sheldon Clare, M.A.
